

MISSION

Provide job training, job retraining, and employment opportunities to people with severe disabilities, with an emphasis on Wounded Warriors, and former military suffering from Post Traumatic Stress Disorder (PTSD) and Traumatic Brain Injury (TBI). We have the background and expertise to understand the unique needs of the U.S. military and can accommodate complex contract and program requirements at the federal, state, and local level. Our employees are capable, reliable, and dependable, and will provide an exceptional ethic to every project.

The founding partners of Able Forces have the unique experience and commitment to manage all aspects of work to be performed

Skip Rogers (Executive Director) - Army veteran with 35 years as a federal contractor and business owner. Previous Mental Health Counselor and Therapist. His area of expertise was in severe behavioral disorders with an emphasis on acute psychotic disorders. Former National Research Fellow with the National Institute on Drug Abuse. Recognized for his contributions as the senior research assistant in the landmark behavioral research study “Temporal Disorganization and Inner/Outer Confusion in Acute Mental Illness”, published in the American Journal of Psychiatry. Over 25 years of charitable program senior leadership.

Joe Cunningham - (Executive Vice President) - Navy veteran with 35 years managing large defense contracting organizations. As President of DynCorp, managed 10,000 employees supporting \$1.5 Billion dollars of annual tasking for various DOD customers. Over 20 years of charitable program leadership. National experience in disaster preparedness and 1st responder program management.

- **Extensive Experience in the Wounded Warrior Community**
- **Board Members of American Freedom Foundation – AFF** raises money and awareness to assist disabled military veterans and their families.
